Flint Creek Watershed Partnership and S.M.C. Inventory Conduct Inventory of Flint Creek

The Flint Creek Watershed Partnership (FCWP) and the Lake County Storm water Management Commission (SMC) will be conducting an inventory of Flint Creek throughout all of the Villages through which the creek flows, including the Village of Barrington.

This work will be done by SMC staff members in an effort to assess work that has been previously done on the creek as well as potential future work which may be recommended.

The FCWP was formed approximately one year ago in order to address issues within the entire Flint Creek water shed that stretches through Municipal boundaries in the Villages of Barrington, Barrington Hills, Lake Barrington

and North Barrington, Lake Zurich, portions of Inverness as well as unincorporated Barrington.

All water that flows within the water shed has an impact on the water quality within Flint Creek and the Partnership is interested in improving and enhancing all aspects of the creek.

We are advising you of this inventory as staff members will be walking the creek to make these assessments.

If you have any questions regarding this inventory, please do not hesitate to contact John Heinz at Public Works at 847/381-7903.

Volunteer Position Available - ARC Member

This is a volunteer position serving as a member of the Village Board-appointed Architectural Review Commission (ARC). Commission members must reside within the corporate limits of the Village of Barrington. The ARC reviews exterior plans for all commercial and multifamily new construction and additions, and makes recommendations to the Village Board regarding the issuance of Certificates of Appearance which are required for all such work.

The ARC also reviews and makes final determination on all exterior work performed in the Village's Historic Preservation Overlay District. Reviews are conducted at Public Hearings held by the ARC and follow national guidelines for historic preservation.

The ARC typically meets on the second and fourth Thursdays of each month, at 7:00 p.m. in the Village Board Room. Occasionally special

meetings are held to deal with special projects or a heavy case load.

There currently exists a vacancy on the ARC, for a term that runs to December 2007. Regular terms of appointment are for four years. Ideally, a person with training or interest in architecture, urban planning or historic preservation would be preferred to fill the vacant position; however, anyone with interest in serving the Village on the ARC is invited to apply. To do so, please mail, fax or email a letter of interest along with a brief resume to:

Melanie Marcordes, Deputy Clerk
Village of Barrington
200 South Hough Street
Barrington, Illinois 60010
(847) 304-3444 (telephone)
(847) 304-3490 (fax)

mmarcordes@barrington-il.gov

Grandfamilies Day - July 6, 2006

There'll be something to do for all ages-from 2 to 92-at GrandFamilies Day, sponsored by the Barrington Area Council on Aging, on Thursday, July 6 from 10 a.m. to 2 p.m. Grandparents, parents and kids can enjoy a day of games, crafts and entertainment in downtown Barrington's brat tent.

"It's really a great chance for all the generations in a family to do something together," says BACOA Executive Director Joyce Palmquist. There will be something fun

for each age group as well as activities in which all family members can participate. Seniors will enjoy bingo and music; kids and parents can work on crafts or play games. Refreshments will also be available.

2nd Annual Wine Tasting - UNCORK Barrington

The Barrington Village Association (BVA) will present the 2nd Annual Wine Tasting, UNCORK Barrington from 6-10 p.m. July 7th at the Fourth of July tent in downtown Barrington. Tickets are \$25 in advance/ \$30 at the event, which includes a souvenir wine glass to taste 25+ international wines, hors

d'oeuvres and musical entertainment. A 10 % discount is offered on all wine orders placed at the event. Tickets and more information are available at www.uncorkbarrington.com or call (847) 381-2742 ext. 21.

3rd Annual Barrington Brew Fest

Some fifteen to twenty regional brewers and microbreweries will pour at the Third Annual Barrington Brew Fest, Saturday, July 8, from 3 to 7 p.m. The event will again be held in the Fourth of July tent in downtown Barrington.

Brewers from Illinois, Wisconsin, Minnesota, and Ohio are expected, including Barrington-area brewers: the Onion Pub, Millrose, Brass Restaurant & Brewing and Emmett's. Other favorites, including Bell's, Great Lakes, Summit and Good Island are also returning. Entertainment will be provided by the Big Sky String Band.

The event is being hosted by the Barrington Area Council on Aging (BACOA) and the Barrington Area Chamber of Commerce (BACC), and all proceeds will benefit BACOA and BAAC programs. Tickets are \$25 in advance and \$30 on the day of the event. The

ticket price includes a commemorative glass and brew tastings. The first 500 advance purchases will include a free commemorative t-shirt. Root beer and other soft drinks will be available. Sandwiches will be available for purchase from various Chamber member restaurants.

Tickets are available from Chessie's, Wool Street Grill, Village Wine and Cigar Shop, the Onion Pub, Phillips Men's Wear, Barrington Print & Copy, and both Barrington Bank & Trust offices, or at the BACOA and BACC offices. Sponsors for the event include Phillips Men's Wear, Emmett's Tavern and Brewing Co., Harris Barrington, Barrington Bank & Trust & UBS - David Nelson.

For more information, contact BACOA at (847) 381-5030, BACC at (847) 381-2525, or Jim Magnanenzi at (847) 382-6136.

Thursdays In Barrington

Come to downtown Barrington every Thursday for the Farmers Market and Cruise Nights. The weekly car show is held every Thursday night through August 31st from 6:30 p.m. to 9:30 p.m. This event is FREE and is located just south of Lake-Cook Road. Each week there will be food and ice cream vendors, fantastic prizes and entertainment.

Because of the wonderful sponsorship of Cruise Nights from Harris Bank and Champion of Barrington, among many other sponsors, RC Racing Experience will again be at Cruise Nights this year on July 6th and July 27th. RC Racing Experience will provide a miniature speedway with six (6) NASCAR sponsored remote control cars. This is a safe, fun way to enjoy a first-hand NASCAR experience. It's great fun for all ages.

Also every Thursday through October 12th is the Farmers Market at Park Avenue and Cook Street from 2:00 p.m. until 7:00 p.m. This year is bigger and better than ever with over 20 participating vendors.

Hazardous Waste Pick-up

SWANCC Household Hazardous Collection Event

Sponsored by the Illinois EPA: www.swancc.org

All events are from 8:00 a.m. - 2:30 p.m. (rain or shine)

JULY 8: Warren Township High School - 500 North O'Plaine Road, Gurnee

JULY 22: Cotton Creek Elementary School - 545 Newport Court, Island Lake

Latex Paint **WILL NOT** be accepted at any of these events.

To help you determine if something is a household chemical waste, look for the words "danger" "toxic" "flammable" "corrosive and/or "reactive" somewhere on the products packaging.

Please visit www.barrington-il.gov for more information on specific materials that are accepted or not accepted. Residents can call SWALCO at 847-336-9340 for further information on the HCW collection events or call Barrington Public Works at 847-381-7903.

24	Architectural Review Com	7:00 p.m.
28	Administration & Finance	6:30 p.m.
28	Public Works Committee	6:45 p.m.
28	Village Board	8:00 p.m.

Grass/ Weed Height

In an effort to keep our community neat and tidy, the Village requires all property owners to maintain grass/weeds at a height not to exceed 10 inches. Please make sure you are following this requirement. All questions regarding this issue can be directed to the Public Works Department at 847-381-7903.

Beware! It's Mosquito Season

The Lake County Health Department has reactivated its West Nile Virus hotline. The hotline number is 847-377-8300 and provides information about West Nile Virus and allows residents to report dead bird sightings (crows & blue jays), which can indicate the virus in the region, as well as neglected pools and other conditions conducive to mosquito breeding.

With mosquito season here, the Village believes that the only sure protection against West Nile Virus (WNV) is one's own self-protection. The following is a list of things you can do to prevent mosquito bites:

- prevent mosquito breeding by removing sources of standing water. (Check your gutters

after rain events to ensure the water is not stagnating in them.)

- if possible, limit outdoor activities at dusk.

- Wear light-colored clothing that minimizes exposed skin.

- Use mosquito repellents (children use repellents containing 10 % DEET; adults 50 % DEET).

For further information, regarding this topic, contact the Northwest Mosquito Abatement District at 847/537-2306 or Lake County Health Department and Community Health Center at 847/949-9925 or www.co.lake.il.us/health/westnile.htm, or call Cook County Health at 708/492-2035.

Chipping Schedule

JULY 17th - North of Main Street

JULY 24th - South of Main Street

Please have all material out to the curb by 7:00 a.m. on your designated Monday morning. The Chipper will make only one pass through your neighborhood. Branches may be up to 10" in diameter and at least 4' in length. Stack branches

neatly in a long low pile on the parkway, with the cut end facing the curb. Remember, Public Works crews cannot pick up material on private property. The following items cannot be picked up: root balls & stumps; building materials; anything with nails, wire or bolts; any material placed in a box or garbage can; grass, leaves or material other than woody branch material.

Water Conservation Efforts

The Ordinance is currently under review, please check the www.barrington-il.gov for any adjustments that may be made since this newsletter went to print. Last year, the Village enacted a water conservation ordinance to limit outdoor water use and to promote conservation of this precious resource. The drought, last year, helped all of us realize that we need to be wise with the use of our water. We are currently in the **GREEN** level of conservation, which means water use is **NOT** allowed between 10:00 a.m. and 4:00 p.m. daily. The Village is considering some alteration to the ordinance in the coming months, and residents will be informed through the signage throughout the Village, the Village website, Channel 4, and subsequent newsletters. We appreciate everyone's understanding and cooperation related to this conservation effort.

-  Run dishwashers and washing machines with a full load only (unless reduced fill settings are available)

-  Water lawns and gardens early in the morning to avoid evaporation loss. Avoid sprinklers that produce a fine mist. Too much water is lost to the wind and to evaporation.

-  Insulate hot water pipes between the heater and the faucets to reduce the amount of water that must be run to get hot water.

-  When washing a car, rinse it once. Use a bucket of soapy water to wash it, and then rinse it once more quickly. Taking a car to a car wash may save water since many commercial installations recycle their water.

-  Take shorter showers. Turn down the faucets, and try a low flow showerhead.

-  Don't leave water running when shaving, brushing teeth, washing hair, or washing dishes.

Village Vision

The Vision of Barrington is to preserve and promote its unique small town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.

The Community is committed to preserving the quality of its neighborhoods, the quality of education, and the diversity of leisure time activities. The community is dedicated to fostering an easily-accessible center of activity for the Barrington area, maintaining a prosperous economic base, protecting its extensive natural resources and promoting public participation and communication.

RESPECT YOUR NEIGHBORS!

Remember - the Village of Barrington has a leash law. When your pet is on any premises other than its owner's, it must be on a leash of no more than six feet that is attached to the pet's collar or harness. The Village also has an animal waste ordinance. Please be respectful of your community and clean up after your pet.

INDEPENDENCE DAY GARBAGE PICK-UP

Refuse, Recycling & Yardwaste Pick-Up will be on Saturday, JULY 8, 2006.

SIGNS IN RIGHT-OF-WAY

Home for Sale signs & Garage Sale signs placed in the right-of-way (parkway) will be removed. As a good practice, do not place signs in the area between the curb and sidewalk. In areas where there are no sidewalks, a safe distance for sign placement is twenty (20') feet from the back of curb or edge of the roadway. Contact the Building & Planning Department @ (847) 304-3460 for a Garage Sale Permit Application.
